Ohio University has received a request to consider your parent's enrollment. For the 2007-2008 school year, all students who wish to have their parent's enrollment in college considered as a component in their Estimated Family Contribution (EFC) are required to complete a Parental Enrollment Verification Worksheet. The purpose of the worksheet is to validate that the student's parent(s) is currently enrolled, to determine the nature of that enrollment and to assess the cost the student's family is incurring as a result of this enrollment. The form consists of two sections: the first to be filled out by the parent who is currently enrolled and the second to be completed by a representative of the financial aid office at the university the parent is (or will be) attending. Once the form has been completed by both parties it should be returned to our office so processing of the student's aid can continue. Completion of the form does not guarantee that we will be able to take your situation into consideration.
